For: Method Of Preparing Halogeno-
Alkyldialkylchlorosilane

DECISION
ON
PETITION

The petition to revive under 37 CFR 1.137(b) filed 10 May 2005 in the above-captioned application is hereby **GRANTED** as follows:

Applicant states that "the entire delay in filing the attached Filing Under 35 U.S.C. 371 from the due date for filing the attached Filing Under 35 U.S.C. 371 until the filing of this Petition was unintentional." This is being construed as a statement that "the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional." Petitioner must notify the Patent and Trademark Office if such an interpretation of the statement in the petition is not correct. Thus, the statement in the petition is being accepted in satisfaction of 37 CFR 1.137(b)(3).

A review of the application file reveals that the required petition fee of \$1500.00 has been paid. The \$300.00 basic national fee has also been paid. Thus, the requirements of 37 CFR 1.137(b) have been satisfied. Therefore, the request to revive the application abandoned under 35 U.S.C. 371(d) is granted as to the National stage in the United States of America.

This application is being forwarded to the United States Designated/Elected Office for further processing, including the preparation and mailing of a Notification of Missing Requirements (Form PCT/DO/EO/905) requiring the payment of the surcharge under 37 CFR 1.492(h) and the processing fee under 37 CFR 1.492(i), and the submission of an oath or declaration compliant with 37 CFR 1.497(a) and (b) and an English translation of the international application.
